

## Miss Ava Lyric Sky Danzy

January 19, 2024 - April 4, 2024

Ava Lyric Sky Danzy born into this world on January 19, 2024 at 2:21 am in Lexington, Kentucky to the loving parents of Dalieha Campbell and Nathaniel Danzy, Jr. She gained her wings Thursday, April 4, 2024.

Ava was known for her perfect blue eyes, for her sweet little soul and her big, beautiful smile. She was so happy and full of life, she wasn't a cry baby. She loved when people would sit and talk to her and she loved Cocomelon.

Ava was such a good baby, she was so happy all the time. She fought so hard to be here. Never forget, Ava loves all of us and she is always with us.... she's our little angel now.

In addition to her parents, Ava was loved by her grandmother, Daisy Campbell; her grandpa Anthony Brown; her five aunties, Datavia Campbell, Dashayla Campbell, Saivionia Price and Damanie Campbell; her uncle, Damarion Campbell; our baby was loved by so many people and we can never forget her three God-mommas Kiauri Shannon, Danielle Smith and Rasia Groves; and our biggest supporter from 8 hours Kiya Betha.
