“ *Ms. Bobbie was such a special and sweet lady and I adored her. She was not only a client of our law firm, she was my sweet friend and I am so glad that I had the privilege of knowing her. We talked often here in our office and went out and shared a meal together on several occasions. I will truly miss her and her "words of wisdom". She was a great believer in our God Almighty and it comforts me to know that she is in Heaven with Jesus and her "honey" as she called her late husband. My deepest sympathy goes out to her children and her brother and sister. She will be truly missed by all.*

“ *My condolences to the family of Bobbie Lawson. May God strengthen and comfort you during this time of grief. I'm blessed to have known her thru my son in law, and her nephew Romar and enjoyed the fellowship with her when ever the family gathered and I was able to be among you. Earth has no sorrow that heaven cannot heal. My thoughts and prayers are with you.*
