

Ms Ciara Michelle Williams

November 16, 1985 - January 17, 2022

Ciara Michelle Williams was born November 16, 1985, in Lexington, Kentucky. She was the daughter of Gloria Williams. Ciara departed this life unexpectedly on Monday, January 17, 2022.

Ciara confessed her life to Christ at an early age. She was a graduate of Bryan Station High School and Eastern Kentucky University where she graduated with a bachelor's degree in criminal justice. Those who knew Ciara, knew

that she loved cheerleading, dancing and modeling and most of all, she loved The Lord. She cheered when she was younger and as she got older, she then went on to dancing for the Fillies and doing some modeling.

She appeared in Young Joc's video, "I Know You See It" and she was also featured in Lloyd and Gorilla Zoe's video. When you think of Ciara, you think of her as beautiful, intelligent, uplifting, ambitious, strong, a go-getter, a fighter, a people person, infectious smile, charisma, always willing to help others, and believed in pushing her younger siblings to excel.

Ciara was so full of life even after overcoming such a life changing accident in 2011 that could have claimed her life, but Ciara was not going to be defeated. Ciara was destined to win, and she wanted everyone around here to win as well. To know her was to love her and Ciara was loved by so many near and far. Ciara will be greatly missed. God has gained another angel.

She was preceded in death by a brother, Jayontai McCann; her grandmother,

Mary G. Williams; and three aunts, Jacqueline Hill, Phyliss Maupin and Mary E. Williams.

In addition to her mother, Ciara leaves to cherish her memories, seven sisters, Tina Lewis, Natalay, Serenity, LeToya, Kamryn, Destiny and Adriona Williams; one brother, Robert Kevin Williams; a god-brother, David Page; two aunts, Barbara (Charles) Talbert and Cleotta Williams; two uncles, William (Phyliss) Williams and Howard (Maurica) Williams; her very special companion, DeAudre Edwards; along with a host of cousins, nieces, nephews and friends.
