“ I really wanted to attend the service, but unfortunately I was sick with a cold I did not want to spread. I knew DeeJ through Toyota and through his food truck (I liked the pork nachos). DeeJ was training me at work on my new processes. He was always kind and funny. The last time I saw him, I gave him an orange and a banana. He peeled the banana upside down. When I asked him why he did that, he said "I have watched a lot of monkeys peel bananas that way and if anybody knows how to peel a banana, it would be a monkey." I laughed. When I heard DeeJ passed, I was in shock. It seemed so unreal. He is deeply missed by me and others that worked with him at Toyota. To his family and friends, my heart and prayers go out to you.
