“Wow! I just found about you the day before my birthday. I feel hurt 😞 to know you're gone. This is so unbelievable 😞. Trying to wrap my mind around this unreal moment 😞. We were 8 years old when we met and became friends through church. I always thought you were handsome but I was shy and kept that to myself. I thought I had a little boyfriend at 8 years old 🤔🤔 but we were just kids so no boyfriend only you were a friend who happened to be a boy 😊 The last time we saw each other was so long ago. I think we were in our early 20's at the time. You were still short 😂 but still handsome 😍. You had grown to have your own family and so did I 🤔. You were always so kind to me, playful, but kind. You always had a smile on your face. Do you remember when for some reason you thought I looked like Rudy Huxtable, yeah you were hilarious with a wild imagination 😂 You were very loved by so many. I will never forget you 😞 You will be missed 😞😞😞😞 May the Holy Spirit comfort all of your family and give them His peace that surpasses all understanding in the name of our God Yahweh, Jesus Christ! 🙏 Amen!

Your Friend Tori 😞
