“ Jeremy (JB) Brown and I are childhood friends and we have always been and always will be!
The hearing of this really shook me to know of his passing especially of his illness not ever knowing of his illness or anything he has been suffering from; I just pray to God for His family that God will keep them under His wings for surety and secure that even though we all have lost another good one we still have the freedom and the good times we share with you JB!

“ Hometown friend. JB was always a cool dude. Always spoke even after he left Wincity whenever he came back to visit and he saw you he spoke and never treated anyone like he was better than them. This is a great lost for anyone that knew him.
