“ *I miss my dad soooo so so much. Its hard some days. Not a day goes by that i dont think of him. I wish my dad was still here. Sometimes i feel lost and just need to talk to him. I wish i could just call him and talk to him.*

He's everywhere you go, all you have to do is tune into the spirit and you will be able to talk to dad. Just to let you know, he lives forever. Infinite energy
