“ Uncle John saved my life when I was a kid. We lived at 140 Stephenson Heights and he, Aunt Gloria and Sam came down to stay the weekend. We woke up to the apartment being on fire. Everyone got out except the two of us. The fireman kept yelling for me to jump out of the window and he would catch me. I was terrified and refused. In all the noise and chaos Uncle John looked at me and calmly told me to jump and that it would be ok. I believed him and I jumped. The fireman caught me and he jumped afterwards. All was safe.
