“ I don’t know how I’m going to do today. It was supposed to be me and you. “You’re your brothers keeper” Kim and Keith. I’m trying my best to not be selfish but I need you more than I think you actually knew. Imma be strong because I have to but it doesn’t mean I’m aight cause I’m not!! You left me alone “in the order of things “ but you left me in real good hands here. I love you and I know “You love me more “ until we’re together again!!!!!!

“ My condolences. Although I didn't know you personally, I felt a connection to you through your late father and other Walker family members. I was so saddened to hear of your passing. May you rest from your labor in the arms of Jesus.
