“ When I saw you in 2019, we talked about the love we had for the "Posse" and all the good times we shared together. I will always remember you said to me....."Danny and I will be together." Your faith was so strong and my heart loved you more at that moment because you gave ME strength. I will cherish our love and friendship forever Sis. Rest well now. I will do as you asked and look out for my brother, Danny. And I love you forever.....

“ *To the family, I extend my heartfelt condolences. Laura and I were classmates and graduated together from Bryan Station. There was never a time that I saw anything other than a smile on her face. Though distance separated us, our friendship remained in tact. Family, draw strength and comfort from each other, knowing that she is resting in the arms of the Lord. Peace be with you all 🙏🙏🙏*
