“ *Margie was a person who danced to her own music and still demonstrated passion for those who where different ! She dedicated her life to serving others and helping them to improve their lives. Though life was a struggle for her, she still continued to serve others. Rest In Peace Margie and know you made a difference!!!*

“*Margie, I'm so glad I got to know you for the last 10 years. I always admired what you were able to accomplish in your life despite so many obstacles. You always made me laugh and let me know everything that was going on in the neighborhood. I know you were mad at me for leaving but always thought I would have you to come back and visit and to text me and give me the latest news. I still can't believe you're gone. Sparks Road will never be the same.*”

“ *Margie always spoke highly and love for her son Peyton and her young daughter Mattie.*

*I was amazed how she worked thru hardships from childhood to being adult. Most who have started out life in fostet care aren't as successful. Margie did make her mark in this world but it was ended way to soon.*

*My heart goes to her Mattie, Peyton, mother and friends. Margie will be greatly missed.*
