

## Mozzi Dakota Moore

March 11, 2024 - November 10, 2025

Mozzi Dakota Moore was born on March 11, 2024, at the University of Kentucky Hospital to loving parents Santerria Roberts and Marion Moore. After a courageous journey, Mozzi peacefully transitioned to be with the Lord on November 10, 2025.

From the moment he entered this world, Mozzi proved himself to be a fighter. He spent the first 560 days of his life in the NICU, where he touched the hearts of everyone who cared for him. On September 22, 2025, he proudly graduated from the NICU-an accomplishment that reflected his strength, determination, and the love that surrounded him every day.

Mozzi was a joyful and spirited baby boy who adored playing with his big brother, Major. His bright eyes lit up whenever his favorite cartoon, Paw Patrol, came on, and the simple moments shared with family brought him endless happiness.

He was preceded in death by his aunt, Jamaica Roberts; his cousin, Deontae Roberts; and his great-grandfather, Thomas E. Moore Jr.

Mozzi leaves to cherish his memory his mother, Santerria; his father, Marion; and his beloved big brother, Major. He is also survived by his grandmothers, Nelsheica Roberts and Monyelle Moore; his great-grandmothers, O'Terra Roberts and Carolyn Moore; and a host of loving aunts, uncles, cousins, and extended family members who each held a special place in his life.

Though his time on earth was brief, Mozzi's impact was profound. His

strength, his light, and the love he inspired will live forever in the hearts of all who knew him.
