*Truly a man of God. We met when you came out to California about 5 or 6 years ago. I was studying for my Saturday morning bible study in front of Starbucks. You stopped and talked and shared with me. We became friends and you stayed with us for a week or so. So intelligent and well versed on the bible. You went back home to Kentucky and reunited with your family and church. I was so happy for you. Every week or so you would share some inspiration with me on facebook and just reached out. I will truly miss you my friend, you touched me in a deep way. Until we meet again in Heaven, Love you my brother*
