“ I met Theresa in 2015 when I started visiting people at Bradford Square in Frankfort. I had just retired, and the social worker thought she might enjoy some visits. We became fast friends immediately! Theresa had such a great sense of humor and we often laughed at daily trials and tribulations in both our lives. She was always interested in my family and what was going on with me. She and my husband became good friends as well and he made her brown beans and cornbread her favorite dish besides fried chicken!! She liked plants and we had a real garden going in her window. Theresa gave me a lot of joy, I hope I gave her some as well. We always ended our visit in a prayer. I have really missed her during the quarantine and sadly I just found out today she is deceased as one of my cards came back to me with that caption. I will truly miss her. I know I'll see her again though.
